Heart of Home
Kitchen and Bath inc.

A place for everything.

Storage designed around the way you live.

CLOSETS & STORAGE

Made in Langley, British Columbia.

Make room for life.

Your home holds more than things. It holds the routines, hobbies and everyday moments that make it yours.

Bring hanging space, shelves, drawers and finishing details together in a layout that feels considered from the start. Begin with a closet. Carry the same coordinated approach into the rest of your home.

Locally made. Personally planned.

Heart of Home Kitchen & Bath Inc.

Your own everyday retreat.

A balanced mix of hanging space, drawers and open shelves makes getting ready feel less hurried and more enjoyable.

Hanging, considered

Keep favourite pieces easy to see.

A place for shoes

Organize pairs on dedicated shelves.

A useful centre

Add an island where space allows.

Concept shown with a wood-look island and white quartz top.

Small space. Thoughtful storage.

A reach-in closet can work beautifully with the right balance of long hanging, double hanging and drawers.

A bright palette

White keeps the space light.

Flexible storage

Mix shelving and hanging sections.

Daily essentials

Keep smaller items neatly arranged.

Heart of Home
Kitchen and Bath inc.

Built around your routine.

Choose the storage you need, then bring the details together in a coordinated finish.

Single hanging

Room for dresses, coats and longer pieces.

Double hanging

More hanging space in one section.

Shelves & drawers

Open storage above everyday essentials.

Shoe storage

A dedicated home for your collection.

A finished look

Matching backs connect each section.

Clean construction

Melamine panels and discreet connections.

3/4-inch melamine panels, coordinated backs and white metal drawer sides bring a consistent foundation to the collection.

A home for the essentials.

Bring ingredients, small appliances and serving pieces together so the kitchen is ready for the next family meal.

Open and easy

See what you have at a glance.

Shelves that work

Plan shelf spacing around your staples.

Smaller essentials

Use drawers for utensils and more.

A calmer welcome home.

Give bags, coats and shoes a place to land. A coordinated entry helps everyday departures and arrivals run more smoothly.

Ready to go

Keep the next day close at hand.

Room to sit

Plan a practical bench area.

A coordinated look

Pair a soft colour with warm wood tones.

Make the everyday feel lighter.

Keep laundry supplies, household essentials and folded items organized with a considered mix of open and closed storage.

Within reach

Shelves for frequently used items.

Tucked away

Doors conceal extra supplies.

Working space

Coordinate a counter for daily tasks.

Room to focus.

A workspace that belongs in your home, with storage for work materials and room for the pieces that make the space personal.

A clear surface

Keep daily work organized.

Shelves with purpose

Mix books, files and display.

A warm finish

Choose a wood look that feels at home.

Space for what you love.

CREATE Keep supplies sorted, projects close and inspiration on display.

GATHER Bring board games, books and family favourites together.

Everything in its place.

Bring the same thoughtful approach beyond the living spaces. Plan open storage, drawers and cabinets around the way you use your garage.

A place for gear

Organize equipment and supplies.

A useful work zone

Coordinate a practical counter.

A tailored palette

Dark finishes and rich wood looks.

One home. Many possibilities.

LIVING SPACES Storage for media, books and the pieces you want to display.

LINEN STORAGE An organized home for towels and household essentials.

Small details. Everyday ease.

Lighted hanging

An illuminated rod for a considered finishing touch.

Pull-down hanging

Bring higher hanging space within reach.

Pull-out baskets

Keep contents visible and easy to access.

Valet rod

A convenient place to prepare an outfit.

Tie storage

Organize ties in a pull-out rack.

Belt storage

Keep accessories together and easy to find.

Keep your favourites close.

Jewelry organizer

Dedicated spaces for small essentials.

Closet rod colours

Choose a finish to complement your storage.

Sliding mirror

A mirror that tucks back into the wardrobe.

Scarf rack

A dedicated place for scarves.

Accessory cases

Organize eyewear, watches and jewelry.

Tilt-out hamper

Laundry storage within the design.

Make it your own.

Start with the way you use the space. We can help bring the layout, storage and finish selections together.

01

Bring your space

Share room dimensions, photographs and the storage challenges you want to solve.

02

Choose your layout

Balance hanging, shelves and drawers with the access and clearances your room needs.

03

Select the details

Review finishes, hardware, work surfaces and accessories with your designer.

04

Review your quotation

Confirm the final plan and itemized scope before ordering.

Choose from white, colour and wood-look finishes. Rendered colours are illustrative; review physical samples before final selection. Door fronts, counters, lighting, appliances and room styling shown are project selections and may be quoted separately.

Let's make room.

Bring your ideas. We will help you plan the storage.
